WHAT'S  
NEW?

The year  
so far...

We held our AGM in September where our previous committee members were once again voted into their roles; Michelle; chair, Hannah; vice chair, Michael; treasurer and Marian; committee member. The total raised in the year 23/24 was £4839 - thank you for all your support raising such an amazing amount for our school!

We have just reached our goal amount of £5700 for the Trim Trail and have ordered an amazing play trail for the main playground, which is due to be installed in May. We have lots more exciting events coming up this year, see over for more details.

# HOW YOU CAN HELP!!

We can't do this without you but we know time is short as a parent and volunteering at events might not be for you, we get it! But did you know there are other ways you can help?

We have a weekly lottery draw with Your School Lottery where one of our supporters wins a cash amount each week! Tickets are just £1 each. Check out: <https://www.yourschoollottery.co.uk/lottery/school/st-thomas-more-vc-academy>

Easyfundraising is a simple way of raising us money each time you shop online with zero strings attached. Download the app and choose to support St Thomas More Hull PTFA!

We have a clothes/textiles recycling bin located on the staff car park. Recycle your clean clothes and shoes and raise us cash!

Green fingered? We will shortly be looking for help to plant bulbs, tidy up the allotment area and smarten up the prayer garden. If you'd like to help or donate any plants or equipment drop us a message!

Over time outdoor playtime equipment gets lost or broken and school have requested some new equipment, such as balls, skipping ropes, bean bags, hula hoops and bats. We are currently low on funds for a while but if you're in a position to help please get in touch with us :)
