Parents' Consultation Evenings – Monday 9th October 2023 and Wednesday 11th October 2023

Dear Parents and Carers

This year, we are offering Parents' Consultation Evening across two dates – Monday 9th October and Wednesday 11th October – and for your further convenience, appointment times are being made available across Year Groups (including Nursery) from 3:30pm – 5:30pm.

To book your preferred date and appointment time for your child(ren), please contact the school office via telephone.

A consultation with your child's class teacher is an opportunity for you to receive an update/discuss your child's academic progress and so I encourage you to attend this important session.

If your child is receiving SEN support, you are additionally invited to book an appointment with Mrs Hutcherson.

Appointments are being arranged at 10 minute intervals so it is important that for the sake of all parents, they do not overrun. I would therefore like to remind you that any non-academic concerns should be discussed with staff, either as children leave at the end of a school day or by separate appointment. Thank you for your support with this.

We look forward to welcoming you into school!

With kindest regards
